### Coaches Update

Budget Impact: No changes on teams (there will still be Varsity, JV, and Freshman teams in the 2009-2010 school year and beyond). There will be a participation fee of about \$75 per high school player per sport and \$50 at the 7<sup>th</sup>/8<sup>th</sup> grade level. Booster club will help with funds for coaches to discretely pay for a player if the necessity arises.

-Winter Travel Tournament: Varsity and JV will be playing a two day two game tournament in Wenatchee December 29-30. There is no entry fee, the tournament is organizing a hotel package for teams presently. This will mean hotel expenses (3 player rooms and 1 coach room per team). I will be scheduling more aggressively for next years Freshman team, so I am open to looking into something similar for the Freshman team if there is interest.

-Home Game Promotions: Varsity and JV will have 9 home games in the 2009-2010 season. 8 league games with dates almost set, and a non-league we are scheduling. We plan on having the Varsity player autograph night again, Spirit Night, and Senior Spotlight. Any other ideas for additional promotional opportunities are welcomed and encouraged.

-Free Throw by Tom Amberry: Every varsity player must read this book by the end of August.
